

Agronegócio Brasileiro.

Agriasset 2022

www.agriasset.com.br

Our mission

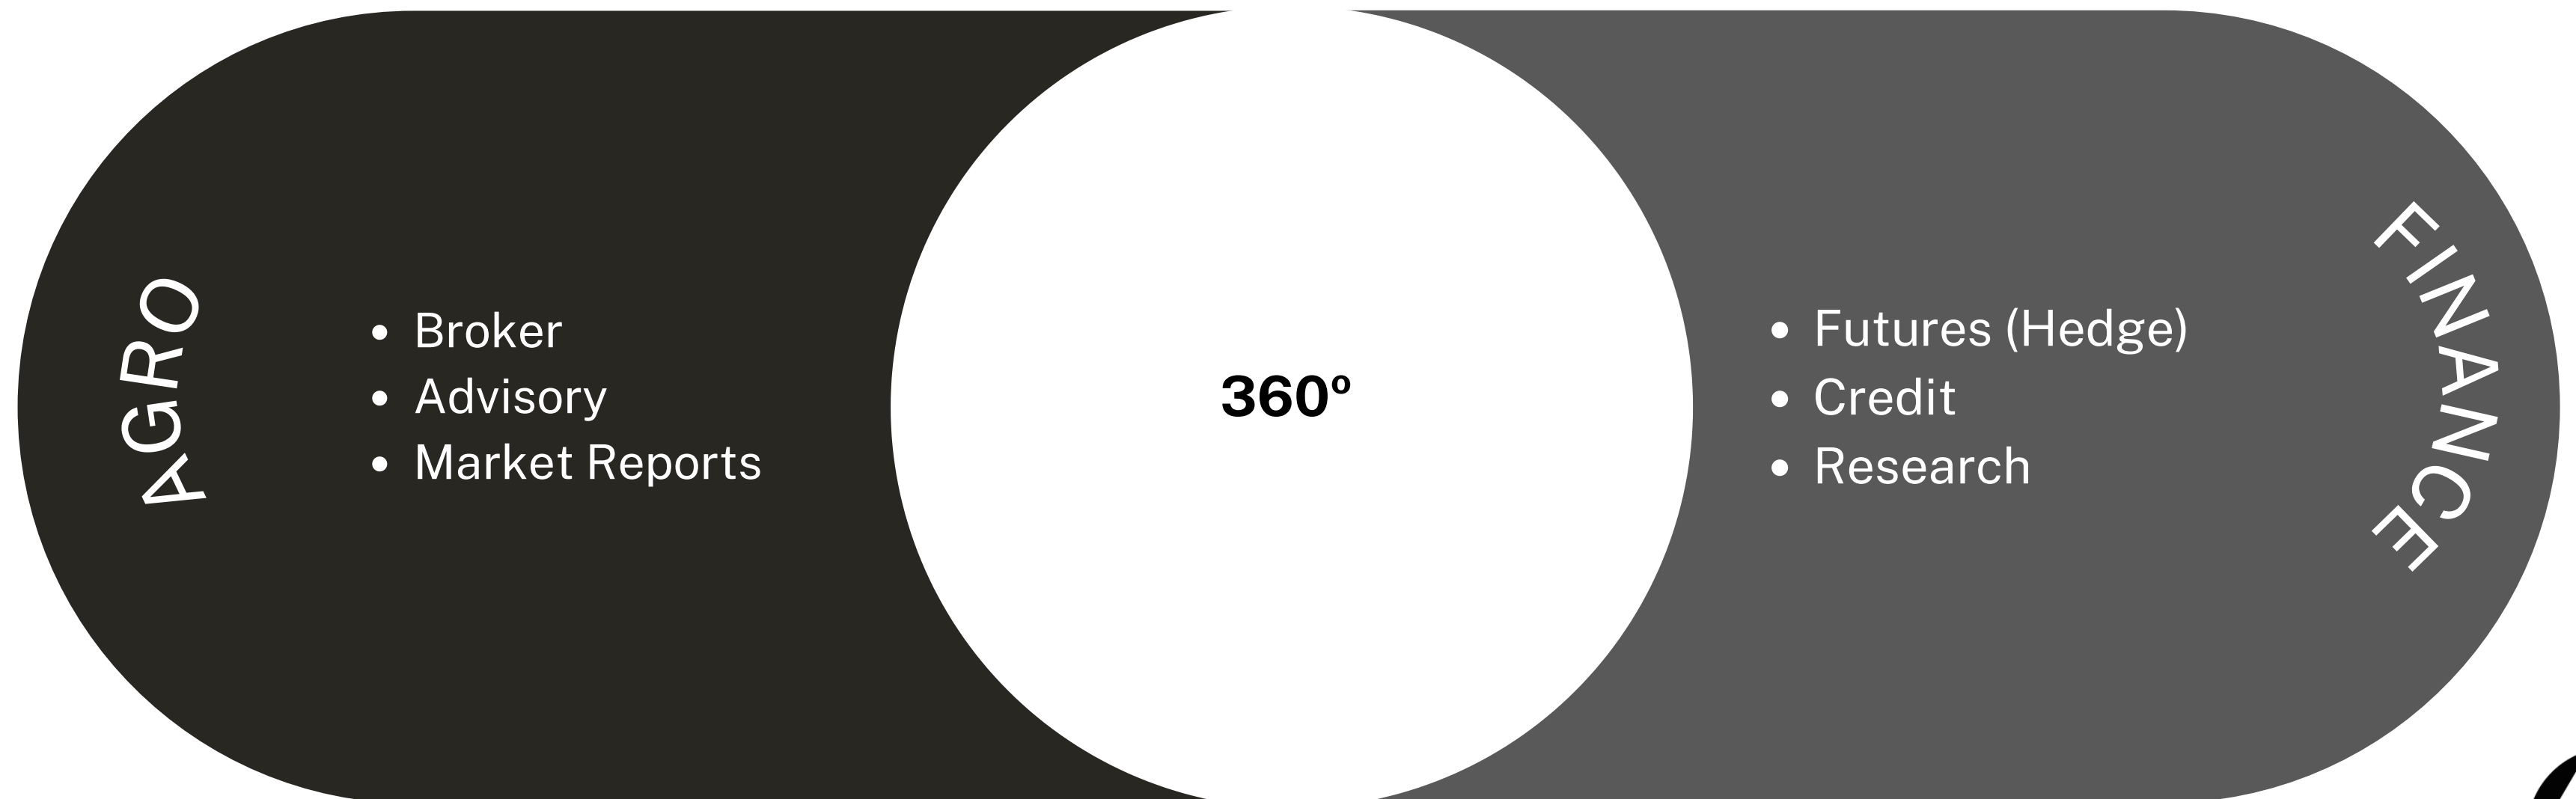

We are a Brazilian grain broker seeking to unite the strength of the agricultural market and the financial market. We care about providing 360 degree service to our customers.

The name Agriasset comes from the interconnection between Agro (agribusiness) and Asset (as a financial asset).

Structure

Our culture

Grain brokerage

We are a grain brokerage with more than 200 clients, focused on the purchase and sale of corn, wheat, soy and bran in the Brazilian territory. We operate with greater intensity in the states of PR, MT, SC & PY.

Advisory & Research

Operating in Brazilian agribusiness since 2010, we seek to deliver information and content so that our customers can make the best decisions.

360°

We help business to be done among our clients, working in all areas of agribusiness, as well as real estate assets and farms, we value the transparency, security and credibility of each transaction.
